

REMARKS

Claims 2 - 4, the claims which stand rejected, have been cancelled, leaving claims 1, 5 and 6 pending, the allowed claims in the application.

Claim 5 was amended as suggested by the Board in footnote 2 at the bottom of page 5 of its Decision reading as follows:

In our view, claims 2 and 5 would be clearer if the phrase "to ambient" was deleted. In addition, the phrase "said reversing chamber" in claim 2 lacks proper antecedent basis. The appellants should correct these defects.

It is believed the application is now in condition for allowance, and further and favorable action is respectfully requested.

Respectfully submitted,
